Re 06-11-512

12 June 06

Dear District Ct.

I have received an order from the Court <sup>Re scanned</sup> dated 2 June 06. (Re Plaintiffs Motion For injunctive Relief) The Defendants have a deadline of 15 June 06 and I, the Plaintiff have a deadline of 22 June 06 to Respond to their Reply.

I am located within the realm of issues that this suit attempts to address; the most present being that I have been moved to a new location and the property room is

If

holding all my legal work — even though it is against policy to do so. I am told "maybe you'll get it back in two or three weeks." I call this vindictive and I pray the Court to grant a delay in my response until I get pertinent legal work, arguments and references returned. These items held by property are not replaceable considering the time and effort and assistance — the range of citations, etc which regards this case and the handicaps from which I attempt to argue.

III

Again, I pray the Court to grant to Plaintiff in the above matter an extension to the 2 ~~JUNE~~ ordered deadline of 22 June 06; this due to circumstances beyond Plaintiff's control.

Respectfully

Leonard Baylis
